

2026 Spring Recital
Mira Costa High School Auditorium

Show 1: Friday June 12th at 6pm

Show 2: Saturday June 13th at 11am

Show 3: Saturday June 13th at 2pm

REGISTRATION PERIOD: November 1st- December 1st

PARTICIPATION FEE: \$150 for 1st routine. Includes costume, group photo & an online digital download of 1 show.

\$95 for each additional class routine. This covers the cost of the costume & a group photo.

RECITAL REGISTRATION DEADLINE: Monday December 1st

*Due to the shipping dates, we have to purchase recital costumes over Winter Break to ensure we receive them in time for our show. For that reason, we cannot refund you for the costume after we purchase them due to the costume company's return policies. Should you drop a class, you will still receive the costume & we can input a credit for the photo into your account, which can be used towards future tuition, camps, etc.

***Choreography for the recital will begin the first week of classes in January.

Late Registration: Should you register after the deadline, between December 1st & February 1st, there is no guarantee that we can get a costume in time for your dancer to participate.

If we are able to accommodate a late registration, **the participation fee increases by \$25 for each routine** to account for late/rushed costume shipping fees.

Registration will close completely on February 2nd as the dancers will already be a month into learning choreography and we will not be able to get a costume in time for the show.

Once you register for the recital, we kindly ask that you do not switch classes as each group has a specific costume & routine.

Class Attendance for the month leading up to the performance is mandatory, as is attendance at all dress rehearsals in order to participate in our show. No exceptions. Please plan accordingly.

ONLINE DIGITAL DOWNLOADS:

Each student will receive an online digital download of **1 show** as it is included in the initial participation fee. If you are on a team, and not participating in a recital routine, that first show is \$35.

If you would like to purchase additional shows:

2 shows: \$25 added to participation fee total

3 shows: \$40 added to participation fee total

*Your child may or may not be in multiple shows if they are in multiple routines.

Please check our performance roster to see which show(s) your dancer is in.

***PHOTO DAY:**

Saturday June 6th at Rise Academy of Dance

8:30am-7:30pm

8 x 10 Group Photos (printout) & 1 individual (digital access: 1 headshot, 2 poses) for each class are included in the participation fee.

*Competition and Performance Team Routines: \$20 for each group/individual photo taken if participating in other recital routines. If you are not participating in any class routines, the first photo is \$45 and each additional is \$20.

***DRESS REHEARSALS:**

Tuesday June 9th & Wednesday June 10 at Mira Costa High School (Mandatory)

3:00pm-10:00pm

*Your dancer will receive specific time slots to attend for each of their classes. Details sent in March.

Costume Measuring: November 3rd- November 14th in class.

You may use our measurements to determine which size you would like us to order for your student. Any costume exchanges will be charged \$20 per costume to account for extra shipping costs.

Final Details: Final show order, dress rehearsal schedule and photo day schedule will be released in March along with ticket information, program advertisement and parent volunteer applications.

If you will be participating in the Spring Recital, please return this form along with payment to the front desk or to RiseAcademyofDance@gmail.com by December 1st, or you can register online.

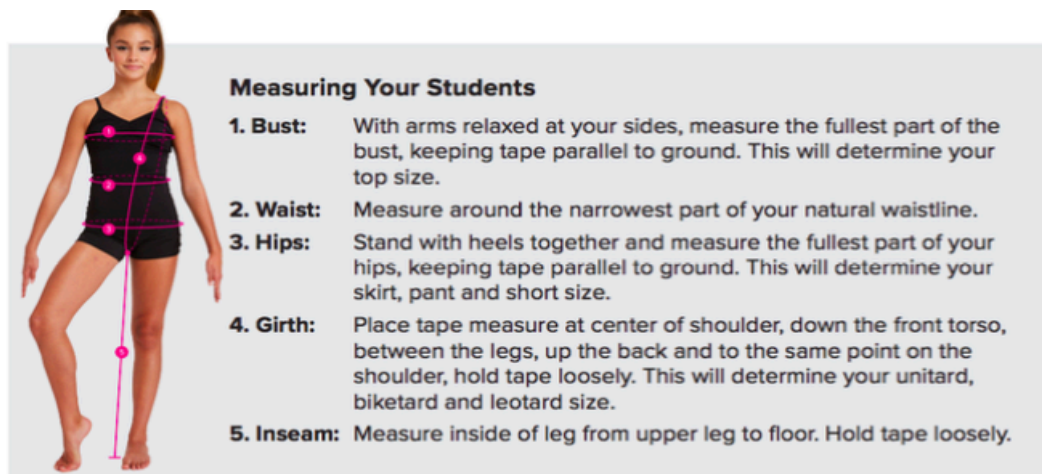

Please **DO NOT** text us your registration forms.

We're looking forward to another wonderful dance recital in June.

How To Measure Your Dancer

***Girth is the most important measurement when determining size!**

To measure girth, place a tape measure at the top of the shoulder where a leotard strap sits, then down through the crotch and back to the same shoulder. Measuring tape should be close to the body but not tight.

SIZING SUGGESTIONS + HELPFUL HINTS

- Measure your dancer while they are wearing a leotard for the most accurate measurements.
- When trying to decide which sizes to order, **girth should be the most important measurement.**
- XLC and XXLC sizes are made to fit a larger child, not a petite adult.
